

DO YOU WANT TO HOST A FULBRIGHT CANADA

20TH ANNIVERSARY PARTY?

On September 23, 2010, Fulbright Canada will be celebrating 20 years of academic exchanges between Canada and the United States of America. If you aren't able to join us for the gala in Ottawa, why not plan a party wherever you are? Invite the alumni in your area to join you for a picnic and soccer game, a sophisticated wine & cheese soir e, or beer at your local university pub. You organize the event, we provide the **Fulbright Canada 20th Anniversary Party Pack** to make sure you have everything you need for a successful celebration!

HOST YOUR OWN FULBRIGHT PARTY!

So you want to host a Fulbright Canada 20th Anniversary Party with other Fulbright alumni in your area? Here's what to do:

1. Decide what you kind of event you would like to organize. Be as creative as you'd like. Your Fulbright Party Pack will include Canada/US trivia, instructions to accessing the live feed from the gala in Ottawa (specifically the keynote address by Dr. Ruth Simmons, President of Brown University), Fulbright paraphernalia, and other goodies. You may want to organize a potluck dinner, a panel discussion, a book exchange, or a table hockey tournament. If you would like suggestions, contact us.
2. Contact Fulbright Canada before Friday, August 20, and advise us that you will be holding an event. We will provide you with a list of the alumni (along with university and government partners) located in your the area. You may choose to coordinate with fellow alumni. You may also choose to invite other members of your community who might be interested in learning more about Fulbright.
3. Organize your event. Consider what location would be most accessible, what alternatives would be available in case of inclement weather, and what audiovisual equipment you might need. You are encouraged to work with our team to ensure the success of your event.
4. We will advertise your event on our website and social networking sites, and assist you in circulating appropriate invitations. We will also track your RSVPs in order to send you an appropriately sized Fulbright Party Pack.
5. On Thursday, September 23, celebrate Fulbright Canada's 20th Anniversary in style! Be sure to take lots of pictures of your event and share them with us. Have fun!
